

# JUNIOR CHEF

"A Healthy Outside Starts From the Inside"

In an effort to motivate our young learners to eat a balanced diet, a kitchenette activity was organized for the students of Pre-Primary and Pre-School children where they made Fruit Bonanza and Cake Pops.

It's fun to get together and have something good to eat at least once with your Friend's by making and sharing together. To inoculate the same feeling of sharing Class I and II made Sev Canapés and Golden Cheesy delights in activity Foods Magic.
