

LABOUR DAY

Your hard work and your dedication have helped to build the nation. In order to salute to this uphill battle which they build with great land from field to field, desk to desk they built it hand in hand. We daisians celebrated LABOUR'S DAY on 1st of May 2016.

Labour Day is an annual holiday to celebrate the achievements of workers. In order to show how grateful we are for their services and help.

Our little daisians offered tiny yet heartfelt gifts to our helpers to acknowledge their services and to show our gratitude..
