

MIGHTY KI MIGHTY

Children need physical, emotional and social spur constantly to lead the ever so challenging day -to -day encounters. A fun filled activity was organized by Pogo Channel ON 7th September 2016 for all classes where children learnt the importance of healthy food, physical and mental exercises which will help them become all- rounder's . Daisians actively participated in the innovative games. The winners of the activity were given prizes by the Pogo team to embolden the kids.
